

The Area Plan Purpose

The purpose of the 2005-2009 Area Plan is to capture the intent and direction of the PSA2AAA and the services provided herewith.

The Area Plan is a result of extensive planning which includes vast community assessments, surveys, and counsel from all interested parties. As this Area Plan is presented in *draft* form at this point, PSA2AAA is very much interested in public comment. To this end, we would like to invite all readers of this document and anyone interested in our mission to attend the following public hearings:
