<sup>11</sup> Section 15 does not apply to Title V (SCSEP).

<sup>12</sup> For a HICAP direct services waiver, the managing AAA of HICAP services must document that all affected AAAs are in agreement.

PSA 2 will perform direct service delivery of Information & Assistance in four of its five counties in an effort to increase required follow up to one hundred percent of referral calls and enhance the delivery of services.

The intent to provide Community Education is in an effort to increase local awareness of PSA 2 and the services it provides.

Long Term Care Ombudsman and HICAP services will be provided directly as there remains no local organizations which will propose to provide these services in PSA 2. They would otherwise dissipate.
